

Cybersecurity Reporting Architect

Tus actividades

You really want to shape big things? Here you are - be part of ContiTechs central Cybersecurity team where you have the chance to further develop our Cybersecurity reporting landscape. In this role you

- Enhance data driven decision making for our cybersecurity organization
- Collaborate with teams across the organization to identify required data sources and automate the extraction of data
- Combine data into comprehensive reports, develop meaningful metrics/KPIs to support decision making in the area of Cybersecurity
- Participate in cross functional meetings, explaining the Cybersecurity reporting landscape
- Enable relevant Stakeholders in the utilization of different reportings
- Influence ContiTechs Cybersecurity Reporting Strategy
- Manage external partners supporting the setup of the reporting structure

If you believe that reportings are an important facet of Cybersecurity, we look forward to your application!

Tu perfil

- Academic degree in computer science or similar
- Several years experience in the management of data analytics
- Having the skill of turning data into meaningful stories
- Understanding of business processes
- Knowledge in Cybersecurity relevant industry standards such as ISO27000 family, NIS2, TISAX
- Project Management skills, Strong analytical thinking and presentation skills
- Business fluent English language skills (written and spoken)
- Interpersonal and intercultural skills to work with different stakeholders
- Good (self-)organizational skillWillingness to travel from time to time

Maybe you've read the above and can see you have some transferable skills, even though they don't quite match all the points. If you think you can bring something to the team, we still encourage you to apply. Applications from severely disabled people are welcome.

Lo que ofrecemos

We want our employees to do well with us. That's why we offer them not only an exciting job in an international technology group, but also numerous additional offers such as flexible and hybrid working, sabbaticals and other benefits.
