

Antitrust Compliance Specialist (m/f/diverse) - REF81903F

หน้าที่ความรับผิดชอบในงานของคุณ

Are you interested in shaping the future of ContiTech together with a great team?

Please join us and contribute to our goals with your new role as Antitrust Compliance Specialist (m/f/diverse) at our location in Frankfurt (Main).

Your tasks will include the following activities:

- Taking an active role in enhancing and continuously improving ContiTech's compliance program especially with respect to antitrust compliance
- Identify potential for improvement of the (antitrust) compliance program through active communication with the Regions
- Continuously improving the association activities concept; be the point of contact for questions from all stakeholders
- Continuously improving the global antitrust risk assessment, be a point of contact for antitrust-related questions from all stakeholders
- Drafting, reviewing and updating group policies and guidelines on antitrust
- Steering rollouts of global antitrust initiatives
- Developing content for antitrust trainings and other preventative measures in close alignment with the other department
- Providing antitrust trainings to all ContiTech business areas and group functions
- Drafting and rolling out other mitigation measures such as internal controls and monitoring
- Steering lessons-learned projects and continuously adapting antitrust CMS efficiency
- Actively keeping up to date with regulatory changes, best practices, industry and compliance trends
- Developing and maintaining a concept for knowledge sharing with respect to antitrust, ensuring material is relevant and up to date
- Responding to third party external audits of ContiTech compliance program

We're looking for enthusiastic individuals to join our new sector-specific compliance department. Stay updated with regulatory changes and industry trends and ensure effective knowledge sharing while driving global initiatives. If you're ready to achieve compliance excellence, we want to hear from you!

โปรไฟล์ของคุณ

เกี่ยวกับเรา

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2024, Continental generated sales of €39.7 billion and currently employs around 190,000 people in 55 countries and markets.

Guided by the vision of being the customer's first choice for material-driven solutions, the ContiTech group sector focuses on development competence and material expertise for products and systems made of rubber, plastics, metal, and fabrics. These can also be equipped with

electronic components in order to optimize them functionally for individual services. ContiTech's industrial growth areas are primarily in the areas of energy, agriculture, construction, and surfaces. In addition, ContiTech serves the automotive and transportation industries as well as rail transport
