

# Compliance Officer North America - ContiTech

## Jūsų užduotys

### HOW YOU WILL MAKE AN IMPACT

- Protect the company by actively identifying, managing, and helping mitigate ContiTech's regulatory risks together with our businesses in North America, including providing practical advice to all levels of management.
- Help design and deploy training to prevent, detect, & mitigate those risks, fostering the continuous analysis of compliance risks in all business areas, especially the monitoring of internal control mechanisms for the early detection of compliance concerns in coordination with other relevant functions and help initiate a lessons-learned process.
- Contribute to and support the establishment and continuous improvement of Compliance programs, processes, procedures, and/or manuals designed to foster a culture of Compliance and to prevent, detect, and/or remedy compliance failures.
- Monitor legal and regulatory developments in North America and, together with the Program Team, design and implement measures to update the Compliance Management System to address those developments in a timely manner.
- Develop a strong network across ContiTech's North America businesses and support the global Compliance Team in all regional aspects.
- Collaborate with interdisciplinary teams such as Human Relations, Purchasing, Sales and Marketing, Controlling, Internal Audit, and Communications to recommend appropriate guidance, processes, training, monitoring and/or disciplinary measures, consequences and lessons learned for all compliance incidents.
- Continuously support the improvement, design, and implementation of the Compliance Management System ("CMS") especially considering the regional aspects and applications of the CMS.
- Promote and foster an Integrity Culture within all ContiTech business units and areas.
- Contribute to and support the definition, implementation, and management of ContiTech's Data Compliance strategy, including compliance with ContiTech's Binding Corporate Rules ("BCRs"), and other internal policies, manuals, standards, and guidelines, and all local laws and regulations applicable to data protection and/or data privacy in North America and in the Americas Region.
- Advise ContiTech businesses, central functions, and specific stakeholders regarding ContiTech's Data Compliance strategy and support the implementation of appropriate and compliant data governance principles.

### **EEO-Statement:**

EEO / Disabled / Protected Veteran Employer. Continental offers equal employment opportunities to all qualified individuals, without regard to unlawful consideration to race, color, sex, sexual orientation, gender identity, age, religion, national origin, disability, veteran status, or any other status protected by applicable law. In addition, as a federal contractor, Continental complies with government regulations, including affirmative action responsibilities for qualified individuals with a disability and protected veterans, where they apply. To be considered, you must apply for a specific position for which Continental has a current posted job opening. Qualifying applications will be considered only for the specific opening(s) to which you apply. If you would like to be considered for additional or future job openings, we encourage you to reapply for other opportunities as they become available. Further, Continental provides reasonable accommodations to qualified individuals with a disability. If you need assistance in the application

process, please reply to [Careers@conti-na.com](mailto:Careers@conti-na.com) or contact US Recruiting at 248.393.5566. This telephone line and email address are reserved solely for job seekers with disabilities requesting accessibility assistance or an accommodation in the job application process. Please do not call about the status of your job application, if you do not require accessibility assistance or an accommodation. Messages left for other purposes, such as following up on an application or non-disability related technical issues, will not receive a call back.

Ready to drive with Continental? Take the first step and fill in the online application.

### **THE COMPANY**

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent, and affordable solutions for vehicles, machines, traffic, and transportation. In 2023, Continental generated sales of €41.4 billion and currently employs around 200,000 people in 56 countries and markets.

ContiTech is one of the world's leading industry specialists. The Continental group sector offers its customers connected, environment-friendly, safe, and convenient industry and service solutions using a range of materials for off-highway applications, on rails and roads, in the air, under and above the ground, in industrial environments, for the food sector and the furniture industry. With about 42,000 employees in more than 40 countries and sales of some 6.8 billion euros (2023), the global industrial partner is active with core branches in Asia, Europe and North and South America.
