

Tires Internal Auditor (m/f/d) - General Audit - REF82173K

Your tasks

We are looking for a new member of our General Audit Team at Conti Tires in Hanover.

Our team consists of colleagues with a high diversity of nationalities, professional backgrounds and rich experience. We work together in an open, positive culture and operate in a complex environment full of opportunities to learn and grow.

The purpose of General Internal Audit is to strengthen Continental's ability to create, protect, and sustain value. We achieve this by providing independent, risk-based, and objective assurance and advice to the Executive Board as well as the Supervisory Board.

As an internal auditor (m/f/diverse), you perform entity and functional audits of the Tire organization and processes worldwide. Your tasks and responsibilities include:

- Preparing for fieldwork, conducting interviews, evaluating business processes and analyzing data as part of a team in on-site and remote audits
- Assessing compliance with standards, policies, procedures and legislation
- Identifying process optimizations, risks, and overall improvement potentials
- Consulting management in the development and improvement of internal processes and structures
- Communicating findings and recommendations as well as monitoring their implementation
- Participating in fraud investigations
- Engaging in project work within General Audit and other central functions

Your profile

- Academic degree in Business Administration, Law or a comparable qualification
- First professional experience, either in Internal Audit or in operational business
- Experience in MS Office applications; experience in further systems (SAP, mySuccess/Employee Central, Financial and Accounting systems) is advantageous
- Business fluent English and very good German language skills (written and spoke), additional languages advantageous
- A strong sense of ownership, proactive attitude and a high degree of team orientation
- Strong analytical and communicative skills
- Very good time management, task planning and prioritization within deadlines

About us

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2024, Continental generated preliminary sales of €39.7 billion and currently employs around 190,000 people in 55 countries and markets.

With its premium portfolio in the car, truck, bus, two-wheel and specialty tire segment, the Tires group sector stands for innovative solutions in tire technology. Intelligent products and services related to tires and the promotion of sustainability complete the product portfolio. For specialist dealers and fleet management, Tires offers digital tire monitoring and tire management systems, in addition to other services, with the aim of keeping fleets mobile and increasing their efficiency. With its tires, Continental makes a significant contribution to safe, efficient and environmentally friendly mobility.
