

Sr. Manufacturing Engineer

Your tasks

HOW YOU WILL MAKE AN IMPACT

- Provide technical support to production focusing on rubber manufacturing.
- Specify, acquire and develop new equipment in support of new product launches, capacity replacement, capacity changes and production flexibility changes.
- Investigate and correct weaknesses to equipment that effect reliability or performance. Perform long term overhauls/ rebuilds.
- Participate as technical expert in creation of FMEAs. Perform reversed FMEAs.
- Conduct time studies and analyses. Improve operational efficiency through cycle reduction, material usage reduction, and process stabilization.
- Support production and maintenance with PLC and HMI program changes.

THE ENVIRONMENT

- Safety is our highest priority and safety procedures / guidelines must be always adhered to. This includes safety wear such as safety glasses, steel or composite toe shoes, and in limited cases hearing protection.
- The work on the shopfloor is within a non-climate-controlled environment where you will be exposed to temperature swings (hot/cold), forklift and pedestrian traffic, and noise.
- This position is in support of a 24-7 manufacturing environment. While standard work schedule is Mon-Fri/ 8-5, flexibility of work hours is required as needed.

EEO-Statement:

EEO / Disabled / Protected Veteran Employer. Continental offers equal employment opportunities to all qualified individuals, without regard to unlawful consideration to race, color, sex, sexual orientation, gender identity, age, religion, national origin, disability, veteran status, or any other status protected by applicable law. In addition, as a federal contractor, Continental complies with government regulations, including affirmative action responsibilities for qualified individuals with a disability and protected veterans, where they apply. To be considered, you must apply for a specific position for which Continental has a current posted job opening. Qualifying applications will be considered only for the specific opening(s) to which you apply. If you would like to be considered for additional or future job openings, we encourage you to reapply for other opportunities as they become available. Further, Continental provides reasonable accommodations to qualified individuals with a disability. If you need assistance in the application process, please reply to Careers@conti-na.com or contact US Recruiting at 248.393.5566. This telephone line and email address are reserved solely for job seekers with disabilities requesting accessibility assistance or an accommodation in the job application process. Please do not call about the status of your job application, if you do not require accessibility assistance or an accommodation. Messages left for other purposes, such as following up on an application or non-disability related technical issues, will not receive a call back.
