

Working Student – Internal Communications IT (m/f/d) - REF82441N

หน้าที่ความรับผิดชอบในงานของคุณ

Would you like to actively support the strategic & operational internal communications for a diverse organization developing high IT technology solutions? Would you like to be part of a proactive team driving various internal communication related topics, e. g. content creation and internal events?

For the area of Tires IT, we are looking for a **working student** (m/f/diverse) to support our team **starting June 2025** for a period of **6 months or longer with 20h per week**. The work is conducted both on-site and remotely.

In close collaboration with the CC and Regional heads of Tires IT and together with our Internal Communications Manager, you will ensure a high level of transparency on all organizational levels and therefore contribute to our internal effectiveness & success of the Tires IT.

Your tasks in detail:

Supporting the

- Implementation of the professional internal communication strategy using relevant internal channels, tools, and platforms (such as ConNext, intranet, newsletter or MS Sharepoint) incl. monitoring
- Conceptual and strategic development of communication materials (presentations, videos, podcasts, images...) for internal projects or strategic initiatives
- Supervision of strategic initiatives within Tires IT and communication support
- Coordination and documentation of Tires IT Open Calls or other events
- Active participation and contribution to the cross-organizational IT communication community as well as exchange and collaboration with other communication departments
- Creative internal communication, storytelling and copywriting for internal channels, speeches, and presentations for the Head of Tires IT
- Advice and support for internal communication measures
