

Visual Inspector

Vaše náplň práce

The Final Finish Visual Inspector is responsible for inspecting tires through the x-ray machine for defects and repairs. Responsible for keeping any possible scrap tire shipped to the Finished Goods Warehouse. The x-ray inspector must be able to visually inspect finished tires at a fast pace within our quality standards.

HOW YOU WILL MAKE AN IMPACT

- Run/operate all finishing machines, x-ray machines, and any support machinery in the Commercial Final Finish department.
- Take responsibility for 100% Inspection of Truck Tires, determine the disposition of the tires according to established standards, and remove any off standard tires from the conveyors for inspection, and make the recording of information.
- Monitor current and ongoing product quality.
- React quickly to equipment downtime or other extraordinary conditions and must notify supervision whenever such conditions occur.
- Perform actions with a control panel interface, both automatic and manual.
- Must be able to read and understand written and oral instructions as to specs, procedures, tolerances, and various construction and quality requirements. Communicate with other inbound and outbound operators, production operators, other crew members and supervision.
- Demonstrates the characteristics of 5S to keep work areas neat, clean, aligned, and orderly.
- Follow all plant policies, environmental policies, and plant and departmental safety policies.
- Ability to walk and climb stairs, medium to heavy periodic lifting. Ability to work shift hours to accomplish the job. Travel may be required.

O nós

THE COMPANY

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2023, Continental generated preliminary sales of €41.4 billion and currently employs around 200,000 people in 56 countries and markets.

With its premium portfolio in the car, truck, bus, two-wheel and specialty tire segment, the Tires group sector stands for innovative solutions in tire technology. Intelligent products and services related to tires and the promotion of sustainability complete the product portfolio. For specialist dealers and fleet management, Tires offers digital tire monitoring and tire management systems, in addition to other services, with the aim of keeping fleets mobile and increasing their efficiency. With its tires, Continental makes a significant contribution to safe, efficient, and environmentally friendly mobility.
