

Accounting Supervisor

Vos activités

In this role you will be responsible for developing, implementing and/or maintaining one or more accounting systems.

HOW YOU WILL MAKE AN IMPACT

- Provide overall management of the accounting function to ensure accurate GL account balances, PP&E, inventory and working capital for each actual period closing and forecast.
- Manage monthly reconciliations of all GL balances and provide oversight for the correct accounting treatment of all plant specific transactions.
- Maintain oversight and review of all accounting Journal Entries to ensure compliance to IFRS and Corporate Standards.
- Manage and ensure timely and accurate reconciliation of all plant specific Accounts Payable (AP) issues.
- Manage and ensure accurate accounting of fixed and current assets.
- Manage the implementation of common standard corporate accounting processes and procedures as directed from the Central Accounting function in the Americas and/or Corporate HQ.
- Provide accurate, timely and transparent reporting of the financial performance of the plant. Adopt standardized SAP reports used by Tire Cost Systems.
- Propose methods and programs for improving accounting systems and processes in the plant. Recommend measures to improve the financial results of the Clinton plant.
- Coordinate and support external and internal audits and afterwards lead the audit finding corrections process with necessary actions.
- Provide Leadership and Integrity as the financial and compliance voice at the Clinton plant.
- Training, development, and management of accounting team.
- Local Key User for SAP- Financial Accounting (FI) Module, which encompasses the recording, summarizing, and reporting of financial transactions for Clinton Truck Tire Plant.
- Participate in inventory counts
- Perform other duties as directed by Head of Controlling & Accounting.
