

Sales Operations

Descrição da função

We're seeking a detail-oriented and proactive Sales Operations to join our team! In this role, you'll be the bridge between our regional sales teams and key customers—ensuring smooth order management, customer satisfaction, and operational efficiency.

You will take full ownership of managing relationships with existing customers, processing orders, and supporting the end-to-end sales process. If you're skilled in SAP, speak English and German, thrive in a fast-paced environment, and love supporting cross-functional teams, we'd love to hear from you.

Your Key Responsibilities:

Pricing Management: Create and maintain customer-specific price lists in SAP.

Rebate Administration: Set up and manage rebate agreements in alignment with customer contracts.

Complaint Handling: Open, track, and resolve complaints, ensuring timely follow-up and resolution.

Quotation Management: Prepare and issue customer quotations based on inquiries and internal pricing structures.

Sales Support: Assist in sales planning, forecasting, and tracking overdue payments from customers.

Sales Team Collaboration: Provide operational support to the Regional Sales team and Key Account Managers (KAM).
