

Strategic Category Manager - Packaging & Labeling (determined)

Your tasks

The Strategic Category Manager Packaging & Labeling is responsible for the worldwide strategic sourcing in the area of Packaging & Labeling and its subcategories for the Tire Group Sector and affiliated companies. This position is reporting to the Head of Global Category Packaging & Labeling and steers the implementation of the respective Category Strategy.

The global approach creates an added value for all Business Areas in terms of commercial, logistical and even technical enhancements, i.e. sustainable total cost reduction, support quality initiatives for internal customers, prolongation of payment terms, warranty and liability optimization, ensuring the worldwide availability of materials and services, data transparency and process improvements as well as strengthening of relationship to strategic Business Partners (internally and externally).

Tasks:

Act as interface and represent the interests of Continental and the Purchasing Community towards all internal and external stakeholders (e.g. Engineering, Plants, Suppliers)

Understands the business and purchasing strategy to derive actions for own managed category

Turns strategy into concrete actions and tangible goals as well as defining, monitoring and reporting relevant KPIs to track progress where applicable

Analysis of the global supplier market and conduction of benchmark analysis to derive actions for the global supplier portfolio

Implements and maintains sustainable supplier relationship and conducts Strategic Supplier Meetings to deploy the global category strategy

Performs annual and regular negotiations to constantly improve the cost situation for respective category, actively drives improvement or Total Cost of Ownership programs with suppliers

Conduct complaint and claim negotiations with special strategic interest which can't be performed independently by the local units

Lead or participate in projects with relevance for owned category or within the purchasing organization
