

Territory Sales Manager - Kansas City - Truck Tire

Descrição da função

HOW YOU WILL MAKE AN IMPACT

SG 10/11

Candidate must be located in the Kansas/Missouri area

The Truck Tires business continues to grow and operates in a highly competitive market. Continental's main advantage is the advanced technology solutions that are associated with our business, which differentiates us from our competitors. Therefore, we need a successful Territory Sales Manager in the Kansas/Missouri area who drives sales for our new tires for the replacement market for commercial trucks and trailers. In this role, you would provide a consultative approach as expert and trusted business advisor in Continental products and services. Furthermore, you would integrate sales with promotion of new technologies and services, prospect new customers and maintain existing accounts in both dealers and fleets. We are proud to be a competitive and knowledgeable sales team who delivers the best solutions to our customers and thrive in an exciting and performance-driven culture!

There are about 85 Territory Sales Representatives who operate in the United States in many geographic territories. They report to District Managers, who then report to Region Managers. There are four regions in the US. The Territory Sales Managers mostly travel to customer locations, dealers and fleets, and mainly work from a home office environment. While most work is conducted independently, our team relies on key relationships with one another and our customers to be effective. The team has a unique bonus program, meant to incentivize volume sales as well as strategic targets.

Quem somos

THE COMPANY

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2024, Continental generated sales of €39.7 billion and currently employs around 190,000 people in 55 countries and markets.

With its premium portfolio in the car, truck, bus, two-wheel and specialty tire segment, the Tires group sector stands for innovative solutions in tire technology. Intelligent products and services related to tires and the promotion of sustainability complete the product portfolio. For specialist dealers and fleet management, Tires offers digital tire monitoring and tire management systems, in addition to other services, with the aim of keeping fleets mobile and increasing their efficiency. With its tires, Continental makes a significant contribution to safe, efficient and environmentally friendly mobility.
