

Regional Security Manager

Vos activités

HOW YOU WILL MAKE AN IMPACT

As a Regional Security Manager, you will be part of our security team and support us in securing employees, company assets, operations and business. Will work in close coordination with the central security team, you ensure consistently high security standards at our locations in the regions you are responsible for and act as the primary contact for security-related issues.

The successful candidate will develop a robust and comprehensive regional security strategy, foster initiatives to secure the Continental Tires business and people and maintain excellent and collaborative working relationships with business partners regionally. The Regional Security Manager - Americas will drive and provide governance guidance, granular operational and technical consultancy/support, site audits/assessments and customized/innovative solutions at various levels to ensure conformance to security standards, policies and procedures as well as compliance to applicable and evolving legal and regulatory requirements related to security.

****Position can sit remotely in the US, but preference is in Fort Mill, SC area close to our Tire HQs****

- Implementation and further development of security standards and processes
- Support site security teams, ensuring consistent application of security protocols
- Regular collaboration and coordination with the central security team as well as with local and central business and support functions
- Proactive security risk landscape monitoring, assessment, mitigation and management
- Development, implementation, and professional management and control of security concepts
- Emergency & Crisis Management
- Supply chain security
- Event security

EEO-Statement:

EEO / Disabled / Protected Veteran Employer. Continental offers equal

employment opportunities to all qualified individuals, without regard to unlawful consideration to race, color, sex, sexual orientation, gender identity, age, religion, national origin, disability, veteran status, or any other status protected by applicable law. In addition, as a federal contractor, Continental complies with government regulations, including affirmative action responsibilities for qualified individuals with a disability and protected veterans, where they apply. To be considered, you must apply for a specific position for which Continental has a current posted job opening. Qualifying applications will be considered only for the specific opening(s) to which you apply. If you would like to be considered for additional or future job openings, we encourage you to reapply for other opportunities as they become available. Further, Continental provides reasonable accommodations to qualified individuals with a disability. If you need assistance in the application process, please reply to Careers@conti-na.com or contact US Recruiting at 248.393.5566. This telephone line and email address are reserved solely for job seekers with disabilities requesting accessibility assistance or an accommodation in the job application process. Please do not call about the status of your job application, if you do not require accessibility assistance or an accommodation. Messages left for other purposes, such as following up on an application or non-disability related technical issues, will not receive a call back.
