

Working Student - Compliance ContiTech - REF83845W

Tus actividades

Are you eager to gain hands-on experience in the field of **compliance** while contributing to meaningful projects? Join our team and take the opportunity to develop your skills in a dynamic and supportive environment!

We are looking for someone to join our team at our headquarters in **Hannover as soon as possible**, working **20 hours per week**, and support us for a **period of six months or longer**.

What will your tasks look like?

- Support the **planning, implementation, and rollout** of project activities and new systems
- Assist in the **preparation of presentations, reports, and statistics**
- Collaborate on **special topics** and take ownership of **individual work packages**
- Contribute to the **development and optimization of compliance concepts and processes**
- Provide flexible support across various **compliance-related topics**

Tu perfil

Are you wondering if you are suitable for the position as a working student in the department of compliance? Here are important qualifications we are looking for:

- You are currently enrolled in a degree program in **Law, Economics, IT**, or a comparable field of study
- Strong interest in **compliance** or **data protection**; prior experience or foundational knowledge is a plus
- Proficient in **MS Office** applications, especially **Word, Excel, and PowerPoint**
- Excellent communication skills in **German and English**, both written and spoken

In addition to these technical requirements, we are also looking for specific qualities and skills:

- You work **independently**, are **well-organized**, and have a **keen eye for detail**
- You bring a high level of **commitment, reliability, and flexibility**
- You are a **team player** with strong **communication skills**, always ready to collaborate and contribute to shared goals

Before submitting your application, there are a few things to keep in mind: We need your current certificate of enrolment and your current transcript of records in order to process your application.

If you do not come from the EU, please also send us your valid residence
