Co nabízíme

Being part of a global IT team of thousands of colleagues working on various innovations and tasks, there is always an opportunity to grow and move into different directions within our corporation.

Among others, you can expect the following benefits:

- Hybrid work arrangement - Opportunities for remote work, flexible hours, or compressed workweeks to achieve better work-life balance
- Career growth opportunities – Clear paths for career advancement within the organization, with opportunities for promotion and skill development
- Work-Life Balance - Policies and practices that promote work-life balance, such as parental leave, and wellness programs.
- Global exposure - Opportunity to work and learn with a global team
- New work style - World class office infrastructure
- Attractive employee benefit policies such as Leave Policy, Group Medclaim Insurance Policy, Medclaim for Employee's Parents, Group Personal Accident Policy , Higher Education Policy, Sabbatical Leave, R & R, Car Lease Policy, Employees Tires Discount Program, Annual Health Checkup

If this sounds like a perfect match for you and if you want to become the next supporter of our core values Trust For One Another, Passion to Win and Freedom to Act, we are looking forward receiving your application.

O nás

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2024, Continental generated sales of €39.7 billion and currently employs around 190,000 people in 55 countries and markets.

With its premium portfolio in the car, truck, bus, two-wheel and specialty tire segment, the Tires group sector stands for innovative solutions in tire technology. Intelligent products and services related to tires and the promotion of sustainability complete the product portfolio. For specialist dealers and fleet management, Tires offers digital tire monitoring and tire management systems, in addition to other services, with the aim of keeping fleets mobile and increasing their efficiency. With its tires, Continental makes a significant contribution to safe, efficient and environmentally friendly mobility.
