

Working Student - User Experience & Interface Design (m/f/d) - REF84681K

Náplň práce

For the area User Experience & Interface Design at the location **Hanover**, we are looking for a working student (m/f/diverse) starting **as soon as possible**. The position comes with a working time of **20 hours per week** for at least **6 months**.

- Together with us, you ensure the high quality of our ContiConnect web portal and app(s) by creating great user experiences.
- You will design interfaces, userflows, components and contribute to expanding our Design System to maintain consistency and standard.
- You will track down missing functionality and analyze and document errors that occur and come up with innovative solutions to solve the issues.
- You will use UX metrics, user research insights, patterns to inform your design decisions.
- You will need to stay up to date with the latest design trends and technologies and share the knowledge with the team to keep them informed.
- You will work together with UX/UI Designers, Product managers, Developers and Test engineers to share ideas, brainstorm, gather feedback and advocate for changes to the system when necessary.
- You will constantly strive to improve the usability and user experience of our ContiConnect products.

Profil kandidáta

- Full time student (m/f/d) studying for a Bachelors or Masters degree in Computer Science, Product/Experience Design, Communication/interaction Design (or equivalent).
- You are available to work 20 hours per week with us and want a student job that is relevant to your future career in Digital Product Design, User Experience and Interface Design.
- You are familiar with Design Thinking, User Centric design principles and know the value of UX and UI Design in digital products.
- You have first hand experience working with wireframing and prototyping tools such as Figma, Adobe XD, Sketch (or similar).
- You must be a fluent English speaker and a great team player.

Please attach your current certificate of enrollment and also your current transcripts of records and an extract of certificate for a mandatory internship. Those documents are mandatory for processing your application. If required, please submit your valid residence permit as well as your work permit including the additional sheet.

Applications from severely handicapped people are welcome.

Čo ponúkame

The job in numbers: You are going to work 20 hours a week in a team of 17.

Being part of a global IT team of thousands of colleagues working on various innovations and tasks, there is always an opportunity to grow and move into different directions within our corporation.

On top of that, you can expect the following benefits:

- Individual development planning based on your personal needs and targets (e.g. mentoring, trainings or global internal Software Academy)
- Work from home up to 2 days a week (unless workshops etc. require physical presence)
- Agile and collaborative work style
- Opportunity to make a difference
- Employee discounts
- An international team across 3 locations in a globally active organization
- Canteen on-site

If you'd like to learn more about our location, feel free to visit our site: [Homepage Hannover Headquarter](#).

[Diversity, Inclusion & Belonging](#) are important to us and make our company strong and successful. We offer equal opportunities to everyone - regardless of age, gender, nationality, cultural background, disability, religion, ideology or sexual orientation.
