

Strategy & Portfolio Manager within BA OESL (m/f/diverse)

Tus actividades

We are seeking a Strategy & Portfolio Manager (m/f/diverse) for one of our European OESL locations, with the position available at the earliest possible date.

Your tasks will include:

- Strategy Development and Business Field Portfolio Management (planning, support, KPI tracking) in alignment with group sector strategy planning
- Market Intelligence: Coordinate BA requirements with the central pool and support from the BA perspective
- BA specific: Analyses & maintains global market/competitor intelligence
- Supporting and Execution of the One ContiTech M&A Strategy with Group Sector and responsible for BA individual processes (incl. target identification + evaluation). Support identification of CT search fields and research on targets.
- This position has a significant impact on the successful realization and deployment of strategic targets e.g. strategy-aligned business field management.
- Explicit focus on business development, incl. marketing concepts. The several methods and activities to be applied to this position will enable achievements with high strategic relevance.
- Safeguard the link between technology and business, transferring the leading edge technology into sustainable business models and finally into Business.
- Result in decision criteria/activities as a recommendation for the board. With the activities on new initiatives, this position ensures that key Technology Fields, e.g. Lighthouse programs and strategic aspects, which are essential for ContiTech's Future and are assigned from the Board, are well promoted internally and externally.
