

Supply Chain Intern

Your tasks

We are seeking a motivated and detail-oriented Supply Chain Intern to join our team. This internship offers a unique opportunity to gain hands-on experience in supply chain operations, logistics, procurement, and inventory management. The ideal candidate is eager to learn, highly organized, and ready to contribute to real-world projects that support our supply chain efficiency and performance.

Key Responsibilities:

- Help coordinate logistics and transportation processes to ensure timely delivery of goods.
- Assist in tracking and analyzing inventory levels, delivery schedules, and customer performance.
- Participate in data collection and reporting to support supply chain KPIs.
- Collaborate with cross-functional teams to identify process improvement opportunities.

As a Supply Chain intern you will learn to use Continental and Automotive tools to support the supply chain team operations and optimize the current process.

Your profile

- **Active student** in Engineering or other relevant science fields
- Must have **at least one year remaining** before graduation.
- Must have **active student health insurance** (Seguro Facultativo) or **major medical expenses insurance**.
- Knowledge:
 - English (oral and written proficiency)
 - Excel (pivot tables must / macros desired)
 - Create reports (excel & Power Bi), Data Analysis, Process Mapping
- Proactive and organized person
