

Senior Category Manager - Marketing, Consulting, Legal, Finance Services (m/f/diverse)

Vos activités

This position is within the Automotive Indirect Materials team. The chosen candidate will be responsible for the development and implementation of the Global, Regional and Local Category Strategies for Global Category Group ITS - Marketing, Consulting, Legal, Finance Services for assigned scope. The global, regional and local approach creates an added value for all Business Units in terms of commercial, logistical and even technical enhancements, i.e. sustainable total cost reduction, support quality initiatives for internal customers, prolongation of payment terms, warranty and liability optimization, ensuring the availability of materials and services, data transparency and process improvements as well as strengthening of relationship to strategic Business Partners (internally and externally).

- **Strategy Development:** Responsible for the creation and implementation of global sourcing strategies for Marketing, Consulting, Legal, Finance Services to enhance market transparency and leverage.
- **Supplier & Pooling Optimization:** Drive supplier consolidation and cost reduction while balancing competition and pooling for maximum value.
- **Stakeholder Alignment:** Ensure alignment of purchasing strategies across global, regional, and local levels; maintain strong relationships with internal stakeholders.
- **Supplier Management:** Select, evaluate, and manage suppliers; implement strategic partnerships and negotiated terms.
- **Contracting & Sourcing:** Lead RFQs, negotiate contracts, and manage catalogs and framework agreements in collaboration with internal teams.
- **Operational Support:** Assist departments with procurement needs, identify alternative suppliers, and support sourcing projects.
- **Performance Tracking:** Monitor KPIs, report savings, and ensure compliance with corporate policies and ethical standards.
- **Process & Project Leadership:** Lead cross-functional team, initiatives and support special projects as needed.

A propos de nous

Continental's Automotive group sector is expected to be listed as independent company "AUMOVIO" in September 2025. With ~93,000 employees worldwide and annual sales of ~€20 billion, we are entering an exciting new era.

AUMOVIO stands for highly developed electronic products and modern mobility solutions. In addition to its strong market position with innovative sensor solutions, displays, and technologically leading braking and comfort systems, AUMOVIO has significant expertise in software, architecture platforms and assistance systems for the rapidly growing future market of software-defined and autonomous vehicles. Our purpose is clear: to make future mobility safe, exciting, connected, and autonomous.
