O nama

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2022, Continental generated sales of €39.4 billion and currently employs around 200,000 people in 57 countries and markets.

The ContiTech group sector develops and manufactures, for example, cross-material, environmentally friendly and intelligent products and systems for the automotive industry, railway engineering, mining, agriculture and other key industries. Guided by the vision of "smart and sustainable solutions beyond rubber," the group sector draws on its long-standing knowledge of the industry and materials to open up new business opportunities by combining various materials with electronic components and individual services.

OESL – Original Equipment Solutions, For Future Mobility.

Are you ready to move ForwardTogether with a global, dedicated, and experienced team?

Join us and take the opportunity to contribute to our future in the fundamentally changing automotive industry with your new role in the stand-alone Business Area Original Equipment Solutions. Your new place to work is flexible and will be defined later (hybrid).

About Original Equipment Solutions:

With more than 17.000 employees and around 2bn€ sales, present in 15 countries with 35 locations and tech centers – OESL is a global player in the automotive sector with extended material competence in rubber, plastic, and metal, serving all major OEM's and commercial vehicle customers' needs with millions of parts in high quality.
