

Reginal Category Manager APAC-Cleaning & Security Services

工作职责

Derive strategy and actions for managed categories based on internal stakeholder, business needs and market situation

Develop a material and supplier strategy:

- Conduct market / internal demand analysis and benchmarks

- Drive the strategy definition process with cross-functional partners

- Ensure that Continentals requirements are reflected in the strategy

- Document and implement the strategy in all BAs/locations

worldwide

- Conduct regular supplier evaluation with main stakeholders

Guide, support and train internal stakeholders to execute by using right tools, methods and processes

Ensure the alignment and implementation of the category strategy within the organization (e.g., communicate sourcing market trends, category results)

Ensure that suppliers fulfill the legal requirements by applying Continentals processes, tools and templates

- Support escalations at internal and external stakeholder

Actively influence the sourcing process through:

- Supply market analysis / supplier selection

- Negotiation of prices and closure of contracts

- Sourcing decision

- Identify and lift bundling opportunities for own category

Drive annual negotiations to constantly improve the cost situation

- Negotiate with suppliers

Apply negotiation concepts to actively support and execute bundling within the respective Category

- Negotiate non-conformance cost with suppliers

Monitor and adapt existing demands, volumes and/or service level agreements

Ensure fulfillment of all necessary requirements by negotiating and concluding legally binding contracts (e.g. frame-, project related contracts, YPSA) with the respective suppliers and process & audit-compliant documentation

- Ensure effective contract lifecycle management

Ensure in time implementation of correct data in the respective IT-systems

Monthly controlling and correction of local data and target achievement

Initiate and support value-engineering, re-design and cost reduction programs, make or buy decisions and content challenge

Initiate and drive together with the internal stakeholders supplier improvement programs if needed (performance, costs), initiate the new supplier introduction process"
