

Sustainability Intern

Náplň práce

- The intern will assist the Sustainability team in ensuring plot level compliance with EUDR (European Deforestation Regulation).
- The intern will assist in the implementation of Osapiens software for EUDR (European Deforestation Regulation).
- This task will include identifying plots which have been flagged as a potential deforestation risk. Such cases will require case management, liaising with suppliers to mitigate these risks, following up and uploading evidence, and closing the cases.
- Due diligence to be conducted on selected shipments and plots to ensure compliance to EUDR requirements are adhered to.
- The intern will assist in the Mitigation of risks as identified by Osapiens.
- The intern will assist in the Geojson file administration.

Profil kandidáta

- Multi-tasking capabilities.
- Interest in Sustainability concepts.
- Data analytical skills.
- Sustainability studies would be a bonus.
