

Field Sales Representative - Truck Tire US

Vos activités

HOW YOU WILL MAKE AN IMPACT

SG 9

****Training will start in Summer/Fall 2025, must be willing and able to relocate anywhere to an assigned US major metro city in 6 months****

The Field Sales Representative (FSR) is a Sales Development Program that includes approximately 6 months of training for entry level sales associates. During training you will travel throughout the country for training, job shadowing and project-based work. After the training is completed, you will be required to relocate to your assigned territory.

Furthermore, once you are relocated and promoted into your new territory you will integrate sales with promotion of new technologies and services, prospect new customers and maintain existing accounts in both dealers and fleets. We are proud to be a competitive and knowledgeable sales team who delivers the best solutions to our customers and thrive in an exciting and performance-driven culture!

- Assist with the development of strategic and new Continental Dealers to provide product education and teach how to sell Continental's value proposition.
- Work at identified dealer locations providing focused support and assistance on a local level to strategic Dealers/Distributors.
- Work closely with dealer sales personnel and technicians to improve product knowledge. Teach dealer sales personnel how to sell Continental's value proposition.
- Identify and target end user fleets to bring business to the local dealer or directly to Continental.
- FSR will work in concert with the Territory Sales Manager during the dealer assignment.
- FSR will also work with Key Account Managers and multiple Territory Sales Managers when interfacing with a key national account to coordinate cross territory efforts.
- Work directly with Dealers/Distributors to provide sales and product training, Assist with the development of local sales strategies, conduct and participate in end user calls, gain knowledge about end user needs, and provide technical support
- Provide information and feed back to management via CRM, market data collection, fleet equipment monitoring studies, Provide Dealer/Customer analysis report after each Dealer stay is complete through effective utilization of CRM
- Work with management in developing ongoing sales strategies and marketing ideas based on information gathered while in the field
- Assist with Implementation of Fleet Services Program

A propos de nous

THE COMPANY

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2024, Continental generated sales of €39.7 billion and currently employs around 190,000 people in 55 countries and markets.

With its premium portfolio in the car, truck, bus, two-wheel and specialty tire segment, the Tires group sector stands for innovative solutions in tire technology. Intelligent products and services related to tires and the promotion of sustainability complete the product portfolio. For specialist dealers and fleet management, Tires offers digital tire monitoring and tire management systems, in addition to other services, with the aim of keeping fleets mobile and increasing their efficiency. With its tires, Continental makes a significant contribution to safe, efficient and environmentally friendly mobility.
