

HR Operations Specialist with Payroll (Hungary)

Responsabilități

The HR Operations Specialist supports the delivery of HR services across Aumovio locations within the country/region. This role focuses on ensuring efficient HR operations, compliance with company policies, local labor laws, and the continuous improvement of HR service delivery. The Specialist collaborates with internal stakeholders, performs BPO governance, and supports digital transformation initiatives to enhance efficiency and employee experience.

Key Responsibilities

HR Service Delivery, Governance and Processes

- Governance over the HR Service Delivery and processes in countries of responsibility ensuring consistent, timely, accurate and compliant operations.
- Regional process owner for defined HR process families (e.g. workforce data management, payroll, time management, HR services)
- Provide insights, support and guidance on HR services for locations in countries of responsibility.
- Develop and ensure standardized processes, as well as compliance with local labor laws, and corporate standards.
- Ensures process documentation is complete and up to date.
- Analyze, resolve or escalate HR service-related issues in countries of responsibility to ensure timely resolution.
- Ensure implementation of process key controls for the country to mitigate risks related to compliance, HR data security, GDPR and other regulations
- Drive process digitalization in countries of responsibility
- Provide support materials, training on tools and/or process in countries of responsibility
- Communication of changes and/or improvements via multiple platforms and/or mediums

Payroll Support

- Governance over specified countries' payroll to ensure compliance with the requirements, laws and regulations in force for the country.
- Conduct periodic audits to ensure that company payroll practices are compliant with all government regulations
- Verifies compliance with federal and state payroll requirements; stays current with changes in the laws

Vendor Management & Relationship Management

- Monitor the service delivery of the BPO and other vendors and address any service gaps.
