

ESG Specialist

Ihre Aufgaben

Engage with external stakeholders (especially suppliers) to ensure clear understanding and compliance of Continental's supply chain risks

Support on sustainability related tasks such as assurance, due diligence, benchmarking and risks assessments

Engage with external digital service partners to ensure delivery of Continentals' sustainability initiatives

Work with suppliers, customers and/or internal stake holders to analyze and conceptualize programs for better productivity and sustainability in NR supply chain

Periodically work independently and as part of a team, as needed, on selected planning activities, business analysis projects, forecasts and feasibility studies

Support digitalisation of our sustainability processes.

Ihr Profil

Graduated from reputable tertiary education (Bachelor Degree)

Engaging and passionate about sustainability with the desire to make a difference.

Excellent interpersonal, written and oral communication skills and a strong ability to engage with a range of stakeholders.

Experience and understanding of sustainability will be a strong advantage.

This role requires a high attention to detail and a strong process-driven approach.

Unser Angebot

Continental Tires Holding Singapore Pte Ltd is a subsidiary of Continental. Our major tasks is to ensure the supply of natural rubber to Continental's tire and technical rubber plants on time, in the right quantity and quality, at competitive prices and responsibly sourced. Like everywhere else in Continental, we believe in great people culture and foster team spirit. We offer a friendly working atmosphere, flexibility and fairness.

Ready to drive with Continental? Take the first step and fill in the online application.

Über uns

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2022, Continental generated sales of €39.4 billion and currently employs around 200,000 people in 57 countries and markets.

With its premium portfolio in the car, truck, bus, two-wheel and specialty tire segment, the Tires group sector stands for innovative solutions in tire technology. Intelligent products and services related to tires and the promotion of sustainability complete the product portfolio. For specialist dealers and fleet management, Tires offers digital tire monitoring and tire management systems, in addition to other services, with the aim of keeping fleets mobile and increasing their efficiency. With its tires, Continental makes a significant contribution to safe, efficient and environmentally friendly mobility.
