

Consultant HRC IT Global Solutions

Náplň práce

The HRC IT department of Continental Tires takes care about all IT services related to our employee lifecycle needs. Beside diverse, exciting and challenging projects around the globe, the remarkable highlight of our organization is the inspiring team spirit. We are working for one another with a high passion to win, celebrate success with the trust given freedom to act.

As a Consultant in our Tires HR and Communications IT - Global Solution team, you will play a key role in the continuous development, implementation, and optimization of our global HR IT landscape and its services. Your focus will be on supporting SAP SuccessFactors suite (Employee Central, Talent, LMS, Compensation, Time Management, Mobile) and SAP SF platform management.

In this exciting job you work on the following tasks:

- Manage SuccessFactors Platform including daily operations, performance, and reliability;
- Support SF Module owners (e.g., EC, PMGM, Compensation, Learning) and drive enhancements, ensure governance;
- Oversee SF Tenants: Handle provisioning, system refreshes, tenant copies, and release management;
- Coordinate with Providers: Act as main contact for SAP and external service partners.
- Ensure Data Integration: Collaborate with Master Data and Integration teams for seamless processes;
- Lead Projects: Drive module rollouts and platform improvements with internal and external stakeholders;
- Drive Continuous Improvement: Monitor feedback, implement updates, and ensure platform alignment with business needs.
