

Working Student - Purchasing P2P Processes & Systems - Knowledge and Project Management (m/f/d) - REF87487M

Descrição da função

For the area of Purchasing - Knowledge and Project Management at the location **Hanover**, we are looking for a working student (m/f/diverse) starting at **September 1st**. The position comes with a working time of **20 hours per week** and a duration of **6 months**.

Your Tasks will be:

- **Knowledge Base Optimization + Search Experience Enhancement.** Support the review, cleanup, and enhancement of our internal and external knowledge base to ensure clarity, relevance, and accessibility for all stakeholders, in the context of the transformation and the focus on Tires. Contribute to improving the search functionality and user experience across our knowledge and collaboration platforms.
- **Community Management Enablement.** Help structure and optimize collaboration platforms (e.g., Microsoft Teams, Connext) to foster stronger engagement and knowledge sharing within our stakeholder communities.
- **Content Creation & Communication + Training Support.** Assist in the development of engaging communication and training materials, including videos, guides, and visual assets, to support training and awareness initiatives.
- **Guidebook Maintenance.** Support the update and refinement of the NPM (Non Production Materials Purchasing) Guidebook to reflect current processes, news and the Tires setup.
- **Project Support – Purchasing Suite.** Assist in the organization and coordination of our flagship project, “Purchasing Suite” including project documentation, tracking, and stakeholder communication.
- **Process visualization.** Support process visualizations to provide clarity on the targeted standards and transparency on gaps
