

Benefits Manager USA ContiTech

あなたの仕事内容

HOW YOU WILL MAKE AN IMPACT

Are you passionate about creating meaningful employee experiences through impactful benefits programs? We're looking for a Benefits Manager to lead the administration, compliance, and strategic development of our U.S. benefits offerings. In this role, you'll manage vendor relationships, drive open enrollment, and ensure regulatory compliance while delivering clear, engaging communication to employees. Join us in shaping a benefits strategy that supports well-being, drives engagement, and aligns with our company's values.

- **Program Administration:**
 - Administer all employee benefit programs, including but not limited to health, dental, vision, life, disability, flexible spending accounts (FSAs), health savings accounts (HSAs), retirement plans, and wellness initiatives.
- **Compliance:**
 - Ensure compliance with all applicable federal and state laws and regulations (e.g., ERISA, ACA, HIPAA, COBRA). Prepare and file required reports such as 5500s. Work with auditors, actuaries, and advisers with reoccurring reporting requirements, audits and annual filings.
- **Vendor Management:**
 - Serve as the primary contact for benefits vendors. Manage relationships, resolve escalated issues, and evaluate performance.
- **Open Enrollment:**
 - Lead the planning and execution of the annual open enrollment process, including communications, systems testing, and vendor coordination.
- **Communication & Education:**
 - Develop clear and effective employee communications related to benefits. Conduct presentations, develop materials, and provide training to employees and HR partners. Counsel business leaders, managers and employees regarding health and welfare programs, defined contribution and defined benefit programs.
- **Data & Reporting:**
 - Oversee benefits data integrity and reporting. Work in collaboration with HR Operations, Payroll and HR IT in regard to the setup and sharing of data for Benefit Platforms and management of employee benefit deductions.
- **Strategic Planning:**
 - Collaborate with the Head of Benefits on the design, evaluation, and implementation of new programs and initiatives to enhance employee engagement and cost-effectiveness.

会社概要

THE COMPANY

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent, and affordable solutions for vehicles, machines, traffic, and transportation. In 2023, Continental generated sales of €41.4 billion and currently employs around 200,000 people in 56 countries and markets.

ContiTech is one of the world's leading industry specialists. The Continental group sector offers its customers connected, environment-friendly, safe, and convenient industry and service solutions using a range of materials for off-highway applications, on rails and roads, in the air, under and above the ground, in industrial environments, for the food sector and the furniture industry. With about 42,000 employees in more than 40 countries and sales of some 6.8 billion euros (2023), the global industrial partner is active with core branches in Asia, Europe and North and South America.

Are you ready to shape the future with us?
