

Key Account Representative - West Region - Truck Tire

Descrição da função

HOW YOU WILL MAKE AN IMPACT

SG 10/11

This is a remote-based sales position. Candidate must be located in the Western Region near a major airport and be able to travel domestically up to 50% of the time.

The Key Account Representative (KAR) supports key fleets and acts as an in-house resource for fleet personnel. The KAR will work to build a long-term professional relationship with the fleet and gain an in depth understanding of their operations and areas where Continental can offer a greater level of support.

Creates new accounts. Speaks directly with new and existing customers or clients to explain features and merits of products or services offered. Demonstrates products or services and provides assistance in the best application of products or services

Answers all questions concerning a product or service, with appropriate referrals where required. Closes transactions and takes orders. Submits time and expense reports to management.

Investigates product/service warranty claims to ensure resolution within organization policies. Analyzes and interprets records of present and past sales, trends and costs, estimated and realized revenue, administrative commitments, and obligations incurred for management.

Contacts prospects and explains features and merits of products or services offered, utilizing persuasive sales techniques. Calculates and quotes prices. May coordinate company technical engineering support and services to ascertain customers' needs.

Utilizes creative problem solving, strong communication skills (both with internal and external stakeholders), hands on evaluations/audits of fleet yards/shops, and technical tire expertise to demonstrate value to the fleet.

Represents the fleet to Continental and Continental to the fleet. The KAR should feel comfortable presenting themselves in both shop environments and corporate settings.

Supports fleets as a dedicated Continental resource to implement, troubleshoot, and maintain tires and technology products with the customer. The KAR will partner with the regional Key Account Management and Strategic Account Management teams to develop and execute a support strategy for the assigned fleet(s). By providing sales-related and technical support at a high-frequency basis on site, the KAR works to ensure the long-term success of Continental products and

programs.

Fleet Support and Consulting:

Work as a subject matter expert in Fleet Tire Operations. This expertise will be gained through an extensive training program upon entry to the company and a network of other KARs supporting your continued development with specialized training. KARs will use this information in a consultative approach to add value to the fleet.

Analyze fleet and maintenance operations with an emphasis on their tire program.

Investigate existing or potential pain points and develop a plan of corrective action.

Utilize audits and tire tracking to stay up to date and involved with hands on action in the fleet to continually provide additional value.

Work with management to develop long term strategies for fleet tire management.

Dealer/Local Support:

Work with servicing dealers to encourage a high level of service to Key Fleets and address any potential problems. KARs must also work with other internal representatives to coordinate efforts in local territories or with respective dealers.

Local Fleet Asset:

Serve as a local asset to support other KAM/SAM fleets who have units around the general vicinity of the KAR. Also offer local TTSM/DM/RM with fleet support when requested. This includes working as a network with other KARs, KAMs, and SAMs to gather data, find solutions, and provide a high level of customer service to large fleets.

The expected starting annual base salary range for this role is \$73,530 - \$81,700 per year, plus cost of labor adjustment for candidates in the Denver, CO area. This position is also eligible for a sales incentive bonus program and company vehicle.

Starting salaries can vary and are based upon candidate skills, experience, and qualifications, as well as market and business considerations.
