

Grader (Inspector II)

Vos activités

YOUR TASKS

This role is responsible for grading, classifying, and ensuring the quality of tires according to Continental Tire's global standards, while also operating specialized equipment, recording quality data, and addressing non-conformities. It includes maintaining safety and environmental compliance, supporting continuous improvement initiatives, and collaborating within team performance systems.

HOW YOU WILL MAKE AN IMPACT

- Rotate to other shifts as needed
- Execute tire grading to ensure product quality level compliance with Continental Tire WW standards
- Responsible for the classification and grading of tires after visual inspection or rework and decide on next process step
- Responsible for the classification of off-standard tires and decide on final disposition
- Input quality related data in grading system
- Take the necessary actions in case of non-conformities (inform relevant people, stop curing press, blocking of tires, etc.)
- Scan and evaluate the status of tires returned to grading after tire uniformity, balancing, weighing, and over inspection
- Responsible for the classification of off-standard tires from the above areas and decide on final disposition
- Responsible for operating the bead heating machines
- Follow the internal ESH work instructions in the daily work
- Demonstrate exemplary personal behavior in ESH and motivate others
- Ensure immediate notification and response, and initiate preventive measures in case of unsafe or polluting hazards
- Know/understand Continental Tire WW semi-product off-standards catalogue and QMS standards (ISO/TS16949, CCC, etc.)
- Support the Continental Business System (CBS) structure by participating in the applicable CBT meeting, reviewing and managing his/her/team performance, conducting simple problem-solving using action sheets, identifying and implementing improvement opportunities, participating in the CBT reviews, and taking ownership for presented parts of the team boards
- Be self-managed, detail-oriented, and capable of performing under pressure
- Follow all plant, ESH, CBS, quality, and department processes and procedures
- Other duties as assigned

NOTE: May not be inclusive of all work required and may be updated as needed.
