

Compliance Case Manager - Tires

หน้าที่ความรับผิดชอบในงานของคุณ

The Compliance Case Manager is responsible for receiving and reviewing incoming reports of possible violations of legal or internal regulations. He or she accompanies the ongoing investigations and ensures appropriate consequence management. He or she will work closely with Group Compliance, other Group Functions, and internal and external investigators.

Job Description

- Support in the implementation of an effective compliance case management system;
- Continuous and active increase in awareness and trust in the Continental whistleblower system;
- Ensuring the confidentiality, independence and expertise of the persons entrusted with the information;
- Assessment of the credibility, relevance and urgency of the alerts;
- Ensure an ongoing overview of the progress and status of ongoing investigations;
- Compile statistics on case activity and ensure an active lessons-learned process.

โปรไฟล์ของคุณ

- Degree in law;
- Ideally, first professional experience in the field of compliance, risk management or internal auditing in a corporation or an international law firm or consulting company;
- In-depth knowledge of applicable laws, regulations and industry standards
- Strong analytical, organizational and communication skills;
- High ethical standards and integrity;
- Business fluent English, both written and spoken, as well as additional language skills desirable;
- Strong intercultural competence and team player mentality;
- Proficient in MS-Office;
- German language knowledge represents a plus.
