

Supply Chain Intern

Your tasks

As a Supply Chain Intern, you'll work closely with our operations, logistics, and procurement teams to ensure supply chain activities align with production goals.

Assignments Include:

- Assisting with material planning and scheduling for manufacturing lines
- Monitoring inventory levels and coordinating stock replenishment
- Analyzing supply and demand data to support production planning
- Apply expertise in supply chain principles encompassing manufacturing, logistics, procurement, and distribution
- Utilize SAP to compile and analyze SCM performance metrics for informed decision making
- Manage inventory, product master data, lead times and replenishment rules

Your profile

REQUIREMENTS

- Must be enrolled as a full-time student at an accredited college
- Minimum GPA: 3.0
- Minimum 1.5 years of remaining undergraduate studies

DESIRED EDUCATION / EXPERIENCE / SKILLS:

- 2+ years remaining until completion of a Bachelor's degree.
- Must have completed 30 hours of college credits

Our offer

All your information will be kept confidential according to EEO guidelines.

EEO-Statement:

EEO / Disabled / Protected Veteran Employer. Continental offers equal employment opportunities to all qualified individuals, without regard to unlawful consideration to race, color, sex, sexual orientation, gender identity, age, religion, national origin, disability, veteran status, or any other status protected by applicable law. In addition, as a federal contractor, Continental complies with government regulations, including affirmative action responsibilities for qualified individuals with a disability and protected veterans, where they apply.
