

Warehouse Supervisor

Vos activités

In this role you must be able to perform all job functions across all areas of the warehouse. Perform all material handler level functions required to be certified in the Finished Goods Warehouses including receiving, storage, and distribution of all materials.

YOUR TASKS

- Identify and sort incoming tires based on tread stripes, tread pattern, and sidewall markings.
- Accurately receive, store, and process transactions on all incoming materials
- Pull orders, deliver materials to production or to the dock per customer requirements and process SAP transactions.
- Follow standard practices and perform all work promptly and accurately, obtaining quality and productivity objectives.
- Remain flexible to work where need arises
- Follow all plant, environmental, safety, quality, and departmental policies.
- Safely operate and care for forklifts.
- Support inventory accuracy through daily operations.
- Accurately input data via computer and/or hand-held scanners
- Perform other duties as assigned by management

NOTE: May not be inclusive of all work required and may be updated as needed.

THE ENVIRONMENT

- Safety is our highest priority and safety procedures / guidelines must be always adhered to. This includes safety wear such as steel toes, hearing protection, etc.
- The job is within a climate-controlled environment.
