

SAP Technical Consultant Fiori / UI5

Vaše náplň práce

Our IT Competence Center Manufacturing drives the digitization in our Tire plants worldwide – and we want you to join us!

In this position you will be part of our global IT team supporting production planning and sequencing, where you will focus on development of a new UI experience.

We partner with people from our tire plants and other departments within the company to realize new functionalities or test and evaluate new technology. We are a global, highly motivated IT team that has the freedom to act and embraces diverse thoughts and perspectives.

If you love to create and improve digital solutions and drive them from idea to implementation, Continental is the perfect match for you.

In this exciting job you work on the following tasks:

- Working in an agile team to improve and transform the frontend experience of our production planning and intralogistics SAP systems (PP, PP/DS and EWM on S/4Hana)
- Implementing and testing new solutions in the area of SAP Fiori / UI5
- Working in projects to implement the solutions in our worldwide plants
- Providing 2nd level support for SAP Fiori and UI5
- Supporting the functional and business team regarding the technical realization of application requirements

Váš profil

- Academic degree in computer science, business administration or an equivalent qualification
- Several years of working experience in SAP Fiori and UI5
- Advanced Fiori/ UI5 development knowledge with CDS view and OData services
- Module specific knowledge of SAP EWM, PP or PP/DS is beneficial
- Experience working in agile methodologies (we use SAFe)
- Analytical and strategic thinking capabilities
- Professional working proficiency in English
- Intercultural sensitivity with experience working in an international, virtual team
- Open to travel up to 20%, incl. business trips abroad

Co nabízíme

Being part of a global IT team of thousands of colleagues working on various innovations and tasks, there is always an opportunity to grow and move into different directions within our corporation.
