

Facility Maintenance Technician

Descrição da função

HOW YOU WILL MAKE AN IMPACT

SG6

Position Overview:

We are seeking a versatile and skilled **Facility Maintenance Technician** to support the upkeep and repair of buildings and grounds at our global tire testing proving ground in Uvalde, TX. This role involves hands-on work across multiple trades including plumbing, drywall, tile, sprinkler systems, and general building maintenance. The ideal candidate will be proactive, safety-conscious, and capable of maintaining a high standard of facility readiness to support world-class tire testing operations.

Key Responsibilities:

- Perform routine and corrective maintenance on facility infrastructure including plumbing systems, sprinkler heads, drywall, tile, doors, windows, and lighting.
- Conduct repairs and installations related to building systems and fixtures.
- Support grounds maintenance including landscaping, irrigation, and outdoor facility upkeep.
- Respond to maintenance requests and emergencies in a timely and professional manner.
- Assist with seasonal facility preparations and weather-related maintenance tasks.
- Maintain accurate records of work performed, materials used, and equipment serviced.
- Ensure compliance with safety, environmental, and building codes.
- Collaborate with operations and engineering teams to support facility needs for testing activities.
- Effective communication on all tasks with supervisor/manager / online tools.

Requisitos
