

Customer Service Assistant I

工作职责

HOW YOU WILL MAKE AN IMPACT

SG6

The Customer Service Assistant I plays a critical role in ensuring seamless communication and coordination between internal teams and external clients at Uvalde Proving Grounds. This position supports customer testing activities by managing logistics, supporting automobile and tire testing, fostering a strong relationships with customers to ensure a safe, efficient, and professional experience for all stakeholders.

Key Responsibilities:

- Serve as the primary point of contact for external customers during test planning, execution, and follow-up.
- Coordinate with internal departments (engineering, safety, logistics, maintenance) to align customer needs with site capabilities.
- Manage customer visits, including test track reservations, vehicle deliveries, and support services.
- Coordinate directly with external customers to understand testing requirements, timeliness, and special handling requirements.
- Monitor customer activities to ensure compliance with safety protocols and operational procedures.
- Track and report customer usage, test schedules, and feedback for continuous improvement.
- Support vehicle preparation and post-test inspections as needed.
- Help troubleshoot tire-related issues and escalate concerns to the appropriate technical staff.
- Maintain accurate records of tire inventory, usage, and test results.
- Mount, balance, and inspect tires for various test vehicles according to customer specifications and testing protocols.
- Ensure all tire handling and preparation activities comply with safety standards and operational procedures.
- Support administrative tasks such as data entry, invoicing, and documentation management.
- Assist in resolving customer issues or concerns promptly and professionally.
- Maintain confidentiality and ensure compliance with NDAs and proprietary testing protocols.
