

Track Operations Administrator

あなたの仕事内容

HOW YOU WILL MAKE AN IMPACT

SG8

We are seeking a highly organized and communicative **Track Operations Administrator** to join our team at the proving grounds. This role is a dynamic blend of customer interface (50%) and communications (50%), supporting both operational excellence and strategic messaging. The ideal candidate will be the central liaison between customers, track safety personnel, and internal management, while also driving site communications and promotional efforts.

Key Responsibilities:

Customer Interface (50%)

- Schedule and manage track usage, coordinating complex logistics with external customers to optimize facility utilization.
- Serve as the primary liaison between customers and track safety teams to ensure compliance with safety protocols and smooth operations.
- Facilitate clear and timely communication between customer management and internal track management to address concerns and implement solutions.
- Conduct pre-test briefings with customers to outline safety procedures, track rules, and operational guidelines.
- Manage customer feedback and complaints, implementing improvements to enhance customer satisfaction and retention.
- Maintain accurate records of track usage, customer interactions, and safety incidents for reporting and analysis.

Communications (50%)

- Interpret and adapt corporate guidelines to fit the unique needs of the proving grounds location, ensuring consistent branding across all communications.
- Manage and grow the site's social media presence to promote

activities, achievements, and updates, increasing engagement and visibility.

- Develop and maintain site brochures, presentations, and other promotional materials, tailoring content for various stakeholders and purposes.
- Assist in internal communications and support site-wide messaging initiatives.
- Create and distribute regular newsletters highlighting track achievements, upcoming events, and industry news.
- Collaborate with marketing teams to develop targeted campaigns promoting the proving grounds' capabilities and services.
- Monitor industry trends and competitor activities, providing insights to management for strategic planning and positioning.

あなたのプロフィール

WHAT YOU BRING TO THE ROLE

- High School Diploma or equivalent
- Proven experience (3+ years) in customer service, operations coordination, or communications.
- Strong interpersonal and organizational skills with the ability to multitask effectively.
- Demonstrated ability to manage multiple priorities and work cross-functionally.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint) and social media platforms (LinkedIn, Twitter, Facebook).
- Excellent written and verbal communication skills, with the ability to adapt messaging for various audiences.
- Experience in project management and event coordination.
- Knowledge of safety protocols and regulations in industrial or automotive settings.
- Strong problem-solving skills and ability to make decisions under pressure.
- Experience in automotive, testing, or track operations is a plus.
- Flexibility to work occasional weekends or extended hours as required by track schedules.
- Valid driver's license and ability to operate standard vehicles.
- Certification in First Aid and CPR is preferred.
- Willingness to learn and stay updated on industry trends and technological advancements in automotive testing.
- Legal Authorization to work in the US is required. We will not sponsor individuals for employment visas now or in the future for this job opening.
- Continental is not able to pay relocation expenses for this opportunity.
