

Tooling Technician III - ETO Coordinator

Vos activités

- Coordinate all Experimental Tire Operations (ETO) activities under the direction of the Process Engineering Manager.
- Ensure experimental tires are built, identified, cured, and processed according to specifications and tire engineer instructions.
- Oversee preparation, inventory control, and disposition of experimental components and tires.
- Manage OE production steps during shift operations, including startup and runout of OE articles.
- Collaborate with Master Planning and SCP/WH to meet weekly market demands.
- Develop and execute the ETO production plan based on tooling, machine, and personnel availability.
- Implement corrective actions for deviations and provide feedback and reports to tire engineers.
- Conduct quality audits, data analysis, and testing; recommend improvements.
- Support stock counting, WIP improvements, and participate in continuous improvement projects.
- Promote and follow ESH (Environment, Safety, and Health) standards; act as a role model for safe behavior.
- Other duties as assigned.

NOTE: May not be inclusive of all work required and may be updated as needed.

THE ENVIRONMENT

- Safety is our highest priority and safety procedures / guidelines must be always adhered to. This includes safety wear such as steel toes, hearing protection, etc.
- The job is within a climate-controlled environment.

EEO-Statement:

EEO / Disabled / Protected Veteran Employer. Continental offers equal employment opportunities to all qualified individuals, without regard to unlawful consideration to race, color, sex, sexual orientation, gender identity, age, religion, national origin, disability, veteran status, or any other status protected by applicable law. In addition, as a federal contractor, Continental complies with government regulations, including affirmative action responsibilities for qualified individuals with a disability and protected veterans, where they apply. To be considered, you must apply for a specific position for which Continental has a current posted job opening. Qualifying applications will be considered only for the specific opening(s) to which you apply. If you would like to be considered for additional or future job openings, we encourage you to reapply for other opportunities as they become available. Further, Continental provides reasonable accommodations to qualified individuals with a disability. If you need assistance in the application process, please reply to Careers@conti-na.com or contact US Recruiting at 800-821-2727. This telephone line and email address are reserved solely for job seekers with disabilities requesting accessibility assistance or an accommodation in the job application process. Please do not call about the status of your job application, if you do not require accessibility assistance or an accommodation. Messages left for other purposes, such as following up on an application or non-disability related technical issues, will not receive a call back.
