

Internship - Supply Chain Management Digital Solutions - REF89598M

Your tasks

We are a global, diverse, and very agile team that gives our people the freedom to act. We create tire solutions that make a difference for fleets and vehicle manufacturers around the globe. And we do it all, from ideation and product development to logistics, marketing, brand management and customer care.

Within this exciting work environment, we are offering an internship position **starting as soon as possible**. For the best learning experience possible, the internship should require a **duration of 6 months**.

The tasks include:

- Align Supply Planning with Demand Forecasts
- Foster communication channels with suppliers and the warehouse
- Keep PowerBI Reports up-to-date
- Recheck and improve inventory management, article structure and packaging / recycling of products
- Establish a feedback loop to incorporate lessons learned and improve future demand planning processes

Your profile

- Students (m/f/diverse) studying in the field of that study Economics, Business Administration or similar
- Ideally having a specialization in Supply Chain Management & Logistics
- Competent handling of MS-Office Programms (PowerPoint, Excel, Outlook)
- First experience in PowerBI
- First experience in working with SAP
- Very good knowledge of German and English, both written and spoken
- Open Communication
- Team Spirit
- Willingness to learn fast

Please remember to attach your current certificate of enrollment and also your current transcripts of records and an extract of certificate for a mandatory internship. Those documents are mandatory for processing your application.

If required, please submit your valid residence permit as well as your work permit including the additional sheet.

Applications from severely handicapped people are welcome

About us

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2024, Continental generated sales of €39.7 billion and currently employs around 190,000 people in 55 countries and markets.

With its premium portfolio in the car, truck, bus, two-wheel and specialty tire segment, the Tires group sector stands for innovative solutions in tire technology. Intelligent products and services related to tires and the promotion of sustainability complete the product portfolio. For specialist dealers and fleet management, Tires offers digital tire monitoring and tire management systems, in addition to other services, with the aim of keeping fleets mobile and increasing their efficiency. With its tires, Continental makes a significant contribution to safe, efficient and environmentally friendly mobility.
