

Working Student - Applied Material Science (m/f/d) - REF89686F

Your tasks

Within our exciting R&D environment, we are looking for a working student (m/f/diverse) for our Applied Material Science team, which is responsible for the evaluation of new, innovative and sustainable materials in our rubber compounds for later tires production.

We are offering a working student (m/f/diverse) position **starting in December 2025**. Ideally, this position should be filled for the next **12 months** with a working time of 20 hours per week. The job is situated in **Hanover-Stöcken**, but can also be done remote anywhere in Germany with occasional trips to Hanover.

Your tasks will include the following activities:

- Evaluation of new innovative and/or sustainable materials in rubber compounds for the later use in tires
- Preparation of summaries, reports and presentations for our group
- Patent and literature searches
- Working collaboratively with a multidisciplinary team including chemists, physicists and compound developers

Your profile

- Currently, pursuing studies in Natural Sciences or other related fields
- Good networking competencies
- Innovative and visionary spirit
- Good command of common MS Office-programms, such as Powerpoint, Outlook, Word and Excel
- Very good English language skills, written and spoken
- Motivation to work with sustainability related topics and for research topics

Please attach your current certificate of enrollment and also your current transcripts of records and an extract of certificate for a mandatory internship. Those documents are mandatory for processing your application. If required, please submit your valid residence permit as well as your work permit including the additional sheet.

Applications from severely handicapped people are welcome.

Our offer

- Attractive remuneration
- Flexible working hours in the flexitime model
- A hybrid work environment - remote or on-site depending on team organization and tasks
- Qualified support from our specialists
- Health-oriented workplace
