

# SAP CO Architect / Central Key User

## Vos activités

The SAP CO Architect / Central Key User is responsible for designing, implementing, and optimizing SAP Controlling (CO) solutions. This role bridges business and IT, ensuring that SAP systems align with financial processes, compliance requirements, and strategic goals. The Central Key User also acts as a liaison between end users and the SAP support team, ensuring smooth operations and continuous improvement.

- Serve as the central point of contact for all SAP Controlling (CO) related inquiries and issues across the organization;
- Support, maintain, and optimize SAP CO modules, including Cost Center Accounting (CCA), Profit Center Accounting (PCA), Internal Orders, Product Costing, and Profitability Analysis (CO-PA);
- Collaborate with finance and controlling teams to understand business requirements and translate them into SAP system configurations or improvements;
- Coordinate and lead SAP CO testing, data validation, and system change management activities;
- Provide training and support to end-users, including creating documentation, user manuals, and conducting workshops;
- Work closely with SAP functional consultants and IT teams to troubleshoot and resolve system-related issues;
- Assist in the design and implementation of new SAP CO functionalities and upgrades
- Monitor data quality and integrity within SAP Controlling modules;
- Support month-end and year-end closing activities related to controlling processes;
- Ensure compliance with internal controls, policies, and audit requirements;
- Analyze and recommend process improvements and automation opportunities within SAP CO.
