关于我们

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2022, Continental generated sales of €39.4 billion and currently employs around 200,000 people in 57 countries and markets.

At Continental, all employees share four fundamental corporate values. They form the roots of our corporate culture: Trust, Passion To Win, Freedom To Act and For One Another. We are convinced that only in an environment shaped by those values can essential and pioneering services, solutions and input be created.

Continental maintain a culture of trust and provide the freedom to develop personal responsibility. At Continental, the working climate is characterized by mutual respect. Every individual contribution counts. We share these through our global network and work together to refine them. We pick up on trends and market changes, make use of them more quickly than others, and come up with better (i.e. more effective) solutions for our customers more quickly.
