

## Day Shift Supervisor (Multiple Departments)

### Jūsų užduotys

#### YOUR TASKS:

As a department Day Shift Supervisor you will oversee daily production operations to ensure efficiency, quality, and safety. This role leads and supports shift supervisors, fostering accountability, teamwork, and consistent management practices in alignment with departmental goals.

#### HOW YOU WILL MAKE AN IMPACT:

- Oversee daily production to ensure delivery of quality products, efficiency, and compliance with safety standards.
- Drive BT2 (Business Teams) KPIs, including delivery, output, equipment effectiveness, and cost control.
- Plan and coordinate manning levels, preventive maintenance, and resource utilization to minimize downtime and costs.
- Lead, coach, and develop shift supervisors, holding them accountable for performance, engagement, and team development.
- Ensure supervisors consistently follow operational standards, leader standard work, and shift handover procedures.
- Reduce rework, scrap, and non-conformances through clear strategies, audits, and continuous improvement initiatives (Kaizen, 5S, CBS, VSM, etc.).
- Manage and support projects, industrialization efforts, and efficiency improvements, including new equipment and process upgrades.
- Promote a culture of safety, accountability, and continuous improvement across all shifts.
- Facilitate structured problem-solving during quality or production incidents and ensure documentation and training for supervisors.
- Foster teamwork, communication, and a positive work environment to improve morale, retention, and productivity.

**NOTE: May not be inclusive of all work required and may be updated as needed.**

#### THE ENVIRONMENT

- Safety is our highest priority and safety procedures / guidelines must be always adhered to. This includes safety wear such as steel toes, hearing protection and eye protection where required.
- This role takes place in a department with fluctuating temperatures and material exposure.
