## **O nama**

**Continental is a technology company that develops pioneering solutions for sustainable and connected mobility.**

Founded in 1871, Continental offers safe, efficient, intelligent, and affordable solutions for vehicles, machines, transport, and logistics. With sales of €39.4 billion in 2022 and around 200,000 employees in 57 countries and markets, we are a global leader in mobility innovation.

Our Tires business area provides a premium portfolio for passenger cars, trucks, buses, two-wheelers, and specialty vehicles. We deliver cutting-edge tire technologies, complemented by smart products and services that support sustainability. For tire dealers and fleet managers, we offer digital tire monitoring and management systems that help ensure fleet mobility and efficiency. Through our tire innovations, Continental contributes significantly to safe, efficient, and environmentally friendly mobility.
