

SAP FI Consultant_OESL

Your tasks

We are looking for a skilled **SAP Financial Accounting (FI) Consultant** to design, implement, and support SAP FI solutions that drive financial accuracy, compliance, and efficiency. The ideal candidate will have deep expertise in SAP FI configuration, integration with other modules, and a strong understanding of accounting principles and business processes.

Key Responsibilities

- Configure and customize SAP FI module components including General Ledger (GL), Accounts Payable (AP), Accounts Receivable (AR), Asset Accounting (AA), and Bank Accounting.
- Design and document business processes, workflows, and financial reports.
- Implement and support financial closing, reporting, and reconciliation processes.
- Provide day-to-day production support and resolve incidents related to SAP FI processes.
- Analyze business requirements and translate them into effective SAP solutions.
- Conduct system enhancements, upgrades, and migrations (including S/4HANA conversions).
- Prepare functional specifications for developments and enhancements.
- Develop and execute unit, integration, and user acceptance testing (UAT) plans.
- Create and maintain user manuals, training materials, and system documentation.
- Partner with business stakeholders, finance leaders, and IT teams to ensure SAP solutions align with corporate accounting and reporting standards.
- Conduct workshops and training sessions

Your profile

Qualifications

- Bachelor's degree in Accounting, Finance, Information Technology, or a related field.
- 3-8 years of hands-on experience in SAP FI implementation or support.
- In-depth knowledge of FI submodules: GL, AP, AR, AA, and Bank Accounting.
- Understanding of financial closing, taxation, foreign currency revaluation, and intercompany processes.
- Experience with SAP S/4HANA Finance or SAP ECC.
- Familiarity with integration points between FI and CO, MM, and SD.
- Strong analytical and problem-solving abilities.
- Excellent communication and documentation skills.
