

SAP CO Consultant_OESL

Responsabilități

We are looking for a skilled **SAP Controlling Consultant** to design, implement, and support SAP CO solutions that drive financial accuracy, compliance, and efficiency. The ideal candidate will have deep expertise in SAP CO configuration, integration with other modules, and a strong understanding of accounting principles and business processes.

Key Responsibilities

- Configure and implement key SAP CO submodules(COOM, COPC, COPA)
- Design and map business processes related to cost control, budgeting, and performance management.
- Develop functional specifications for custom reports, enhancements, and interfaces.
- Participate in end-to-end SAP CO implementations, rollouts, and S/4HANA migrations.
- Ensure seamless integration between CO and other SAP modules such as FI, MM, PP, and SD.
- Collaborate with finance and business teams to align controlling processes with corporate financial goals.
- Work with the technical (ABAP) team for developments and data migration activities.
- Provide ongoing support for SAP CO processes – including month-end closing, allocations, cost analysis, and reconciliations.
- Identify process improvement opportunities and recommend SAP best practices.
- Troubleshoot and resolve configuration and integration issues.
- Prepare test scripts and support unit, integration, and user acceptance testing (UAT).
- Document configuration settings, business process flows, and training materials.
- Conduct workshops and end-user training sessions.

Cerințe

- Bachelor's degree in Accounting, Finance, Business Administration, or Information Technology.
- 3-8 years of hands-on experience in SAP CO implementation or support.
- Strong knowledge of SAP CO configuration, cost object controlling, and reporting.
- Experience in product costing, variance analysis, and profitability analysis (CO-PA).
- Deep understanding of FI-CO integration, cost element accounting, and assessment/distribution cycles.
