

Business Development Manager - Earthmover - Americas

Descrição da função

HOW YOU WILL MAKE AN IMPACT

SG 12

As a Business Development Manager for the Earthmover segment in the Americas, you'll drive strategic growth initiatives and market development for Continental's Earthmover product group. In this role, you'll align regional business goals with global strategy, foster partnerships, and identify opportunities to expand our presence in this highly technical and competitive market. Leads a team of 2 employees.

Key Responsibilities

- Support the development and execution of the Earthmover Product Group strategy within the region.
- Ensure integrated business development between local markets and the global product group.
- Steer financial and operational performance for the Earthmover segment.
- Strengthen customer relationships and represent Continental Specialty Tire in technical, operational, and market forums.
- Support preparation and implementation of market concepts and product introductions.
- Provide leadership and direction to the regional sales team and ensure alignment with corporate objectives.
- Conduct regular reviews to assess performance and optimize market positioning.

Requisitos

WHAT YOU BRING TO THE ROLE:

- Bachelor's Degree in Business, Engineering, or related fields and 5+ years of experience in business development or sales within a complex, international organization, OR 10+ years of experience if no Bachelor's Degree
- Demonstrated leadership capabilities, ideally with cross-functional or virtual teams.
- Deep understanding of global sales and business development processes.
- Strong knowledge of business management principles in the tire or automotive industry.
- Financial acumen and ability to translate business goals into performance metrics.
- Technical familiarity with product and vehicle applications, particularly within Earthmover or OTR tires.
- Legal Authorization to work in the US or Canada is required. We will not sponsor individuals for employment visas now or in the future
