

SAP Consultant SAP PP / PP-DS

Tus actividades

Our IT Competence Center Manufacturing drives the digitization in our Tire plants worldwide – and we want you to join us!

In this position you will be part of our global IT team supporting production planning and sequencing, where you will focus on the improvement and further development of our production planning solution within SAP S/4Hana.

We partner with people from our tire plants and other departments within the company to realize new functionalities or test and evaluate new technology. We are a global, highly motivated IT team that has the freedom to act and embraces diverse thoughts and perspectives.

If you love to create and improve digital solutions and drive them from idea to implementation, Continental is the perfect match for you.

In this exciting job you work on the following tasks:

- Working in an agile team to improve and enhance our PP and PP-DS solution on SAP S/4Hana
- Technical conception based on business requirements
- Implementing, testing and rolling out new solutions in our worldwide plants
- Providing 2nd level support for SAP PP & PP-DS
- Create solution documentation and support business in knowledge management & training

Tu perfil

- Academic degree in computer science, business administration or an equivalent qualification
- Several years of practical working experience in SAP PP and/or PP-DS
- Good knowledge of PP/PP-DS master data and customizing
- SAP ABAP knowledge is beneficial
- Module specific knowledge of other SAP modules like PP-PI, MM, EWM is beneficial
- Analytical and strategic thinking capabilities
- Professional working proficiency in English
- Intercultural sensitivity with experience working in an international, virtual team
- Open to travel up to 20%, incl. business trips abroad

Lo que ofrecemos

Being part of a global IT team of thousands of colleagues working on various innovations and tasks, there is always an opportunity to grow and move into different directions within our corporation.
