

HR Lead Tires Business Services

Responsabilități

The Head of HR for Tire Manila Business Services is a strategic leadership role responsible for designing, implementing, and managing the full HR function within a newly established SSC. The role focuses on building a scalable HR operating model to support the SSC's growth, ensuring talent acquisition, employee engagement, organizational design, and HR operations align with the center's business objectives. This leader will play a critical role in shaping the SSC's people strategy, culture, and performance from inception.

Strategy & Organizational Development

- Design and execute the HR strategy for the new SSC, aligning with group-wide HR and business goals.
- Build and structure the HR team to support a multi-functional, high-performing SSC environment
- Support change management initiatives as new teams, tools, and processes are rolled out within the SSC.
- Design learning and development programs to build capability, support career development, and drive performance excellence.
- Identify leadership development and succession planning needs for critical roles.
- Act as a key advisor to SSC leadership and group HR leaders on workforce strategy and people issues.
- Collaborate with other business units and global HR teams to ensure alignment and knowledge sharing.

Talent Acquisition & Workforce Planning

- Lead end-to-end hiring for the SSC, partnering with talent acquisition teams or agencies to build out core teams across finance, HR, IT, procurement, and customer service.
- Develop workforce plans and talent pipelines to meet current and future business needs.
- Implement employer branding and recruitment marketing strategies to attract top talent in accordance with global policies & procedures

Employee Engagement & Culture

- Champion a strong, inclusive, and collaborative culture in a newly formed, fast-paced environment.
- Develop onboarding, engagement, and retention programs that drive employee satisfaction and reduce attrition.
- Implement feedback mechanisms and action plans (e.g., surveys, listening sessions).

HR Operations & Compliance

- Set up core HR operations (HRIS systems, payroll, employee records, benefits, etc.) ensuring efficiency and compliance.
