

Technical Trainer – Automotive Aftermarket IEMEA

Your tasks

The Technical Trainer is responsible for coordinating and delivering training activities across East-Middle and South-East Europe within the CT EMEA region. The role combines strategic planning, technical expertise, and cross-functional collaboration to support product performance innovation, and customer engagement.

- Execute Automotive Aftermarket training activities across the focus region.
- Coordinate and align training topics within IEMEA to ensure consistency and synergy
- Manage training feedback reporting from the training team
- Develop and implement training strategies in collaboration with Product Management and Marketing
- Conduct workshops and training sessions for customers and partners covering all aspects of ContiTech Automotive Aftermarket Products
- Coordinate the distribution of training team information across relevant channels
- Provide expert troubleshooting support for product application and performance issues, including complaint management
- Support sales teams during customer visits, plant tours, and application-specific requests
- Deliver technical support for trade fairs, catalogues, and advertising materials

Your profile

- Advanced technical knowledge in automotive mechanics
- Preferable technical expertise in Automotive Aftermarket products for cars and trucks
- Expert in Training and presentation skills
- Good communication skills
- Cross-functional collaboration with Sales, Product Development, Product Management, Purchasing, etc.
- Strategic planning and training strategy development
- Customer orientation and support
- Knowhow in Quality Management
- Microsoft Office (Excel, PowerPoint, Word, Outlook)
- SAP Basic knowledge
- Experienced in eLearning Platforms
- English and other regional languages of the focus region are an advantage

About us

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2024, Continental generated sales of €39.7 billion and currently employs around 190,000 people in 55 countries and markets.

The ContiTech group sector develops and manufactures, for example,

cross-material, environmentally friendly and intelligent products and systems for the automotive industry, railway engineering, mining, agriculture and other key industries. Guided by the vision of “smart and sustainable solutions beyond rubber,” the group sector draws on its long-standing knowledge of the industry and materials to open up new business opportunities by combining various materials with electronic components and individual services.
