

Internship - Global Tire Logistics - REF91582Z

Your tasks

The Global Tire Logistics department at our site in **Hanover-Stöcken** is responsible for the tactical and strategic design of global tire logistics.

In this exciting environment, we are offering a (mandatory) internship **starting in February 2026** to support us with our various projects and day-to-day operations. A combination of voluntary and mandatory internship is possible. For the best possible learning experience, the internship should last between **4 to 6 months**. Following the internship, writing a thesis is an option but not guaranteed.

Tasks include:

- Contributing to global process optimization and automation projects in the areas of warehouse and supply chain
- Support international tender processes
- Implement, update, and analyze supply chain reports
- Assisting in the implementation of logistics quality requirements and various quality initiatives within warehouse operations
- Support internal logistics audits according to international standards
- Data collection in collaboration with international teams
- Creation and presentation of management-ready documents

Your profile

- Students (m/f/diverse) in the fields of business administration, industrial engineering, economics or comparable study programs
- Ideally with a focus/specialization in logistics, supply chain and/or transport
- Basic practical experience in logistics
- Confident handling of MS Office-programs (esp. Excel, PowerPoint)
- Fluent English language skills (written and spoken); good German language skills are a plus
- Analytical thinking and strong numerical skills
- Independent working style, high level of commitment, flexibility, and creativity
- Strong team, organizational, and communication skills

Please attach your **current certificate of enrollment** and also your **current transcripts of records** and an extract of certificate for a mandatory internship. Those documents are mandatory for processing your application. If required, please submit your **valid residence permit as well as your work permit** including the additional sheet.

Applications from severely handicapped people are welcome.
